RE: Annual Reissue of Closure Notice

Ladies & Gentlemen:

The Division of Marine Fisheries is reissuing the notice on the below defined area in order to keep the closure records current. This is not a new closure, but an annual renotification of the existing closure of November 8, 1989.

Therefore, under authority of Massachusetts General Laws, Chapter 130, Sections 74A and 75 the below defined area shall remain classified as "PROHIBITED", and closed to the taking of all shellfish. Digging, harvesting or collecting and/or attempting to dig, harvest or collect shellfish and the possession of shellfish from the below defined area is prohibited.

Under authority of 322 CMR 7.01(7) all permits issued thereunder are hereby conditioned to prohibit the taking, selling or possession of shellfish from the below defined area.

CLASSIFICATION: PROHIBITED  
**STATUS: CLOSED TO THE TAKING OF SHELLFISH**

**Manomet Point, North**  
**CCB:41.1**

"The waters and flats and all tributaries of that portion of North Plymouth Coastal in the Town of Plymouth, northwest of a line drawn in a northeasterly direction from Manomet Point for one quarter mile and southeast of a line drawn in a northeasterly direction from Rocky Point for one quarter mile and west of a line drawn from the quarter mile marks."

Sincerely,

Paul J. Diodati  
Director
